Form ADV Part 3
Client Relationship Summary (Form CRS)
June 22, 2020

Item 1. Introduction	Autus Asset Management, LLC ("Autus") is registered with the Securities and Exchange Commission (SEC) as an investment adviser. Please note that brokerage and investment advisory services and fees differ and that it is important that you understand the differences. Free and simple tools are available to research firms and financial professionals at Investor.gov/CRS. This site also provides educational materials about broker-dealers, investment advisers, and investing.
Item 2. Relationship And Services	**What investment services and advice can you provide me?** Autus offers investment management services where our financial professionals manage the assets in your account through the selection and implementation of customized investment strategies based on your financial objectives and risk tolerance. Our investment management services are performed on a **discretionary** basis, meaning you grant our financial professionals the authority to employ strategies and place trades at their discretion, based on your goals and circumstances. At the time of account opening, you can set limits on our discretionary authority. Autus' minimum account size is $500,000. As part of our investment management service, Autus monitors your account. Our agreement to do so lasts until either you or Autus ends the advisory relationship. We provide services for both retirement and non-retirement accounts and recommend particular account types based on your circumstances. Autus does not directly hold your assets; rather, they will be held at a qualified custodian. While Autus provides extensive investment options, investments can only be held at the limited number of custodians with which Autus has relationships. Additional information can be found by reading Autus' Form ADV Part 2A, which is provided at or before account opening. It can be found at https://autusam.com. **Conversation Starters**. Ask your financial professional: • Given my financial situation, should I choose an investment advisory service? Why or why not? • How will you choose investments to recommend to me? • What is your relevant experience, including licenses, education, and other qualifications? What do these qualifications mean?
Item 3. Fees, Costs, Conflicts, and Standard of Conduct	**What fees will I pay?** For investment management services you will be charged ongoing advisory fees calculated as a percentage of the value of the assets in the account, and billed quarterly in arrears based upon the asset value as of the last day of the prior quarter. Advisory fees are negotiable, but subject to a maximum of 1% annually. You may also pay fees to the custodian for trading and maintenance of the account. These fees vary by custodian, and the type and amount of investments in the account. Because Autus generally is compensated based on the value of your accounts, the firm is incentivized to recommend that you increase the amount of assets you allow us to manage. You will pay fees and costs whether you make or lose money on your investments. Fees and costs always reduce the amount of money you make on your investments

	over time. Please make sure you understand what fees and costs you are paying. More details can be found on Autus' Form ADV Part 2A, or at https://autusam.com. **Conversation Starters**. Ask your financial professional: • Help me understand how these fees and costs might affect my investments? • If I give you $500,000 to invest, how much will go to fees and costs, and how much will be invested for me? **What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?** When we act as your investment advisor, we will act in your best interests, and will not put our interests ahead of yours. At the same time, the way we earn our fees creates a conflict of interest. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. In reviewing any of your existing investments, Autus is incentivized to recommend you transfer those assets into an account managed by Autus, in order for Autus to maximize its compensation for investment management services. Autus addresses these conflicts through a variety of methods. More detail regarding conflicts of interest can be found on Autus' Form ADV Part 2A, or at https://autusam.com. **Conversation Starter.** Ask your financial professional: • How might your conflicts of interest affect me, and how much will you address them? **How do your financial professionals make money?** Our financial professionals are paid salaries and have the opportunity to earn bonuses based on their contributions and profitability of the firm. We do not receive any commissions, in connection with providing investment advice to clients. The firm does not directly or indirectly compensate any person for client referrals.
Item 4. Disciplinary History	**Do your financial professionals have legal or disciplinary history?** Autus does not have any relevant legal or disciplinary history to disclose. Individual financial professionals may have a legal or disciplinary history which would be disclosed to you on their Form ADV Part 2B Supplement which will be provided to you in conjunction with this relationship summary. You can visit Investor.gov/CRS for a free and simple tool to research Autus and our financial professionals. **Conversation Starter.** Ask your financial professional: • As a financial professional, do you have any disciplinary history?
