Past performance may not be indicative of future results. Therefore, no current or prospective client should assume that future performance of any specific investment, investment strategy (including the investments and/or investment strategies recommended or undertaken by Integrated) or product made reference to directly or indirectly by Integrated in its web site, or indirectly via a link to an unaffiliated third party web site, will be profitable or equal the corresponding indicated performance level(s). Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a client or prospective client's investment portfolio. Historical performance results for investment indices and/or categories generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results.

Certain portions of Integrated's web site (i.e. newsletters, articles, commentaries, etc.) may contain a discussion of, and/or provide access to, Integrated's (and those of other investment and non-investment professionals) positions and/or recommendations as of a specific prior date. Due to various factors, including changing market conditions, such discussion may no longer be reflective of current position(s) and/or recommendation(s). Moreover, no client or prospective client should assume that any such discussion serves as the receipt of, or a substitute for, personalized advice from Integrated, or from any other investment professional. Integrated is not an attorney, and no portion of the web site content should be interpreted as legal or tax advice.

To the extent that any client or prospective client utilizes any economic calculator or similar device contained within or linked to Integrated's web site, the client and/or prospective client acknowledges and understands that the information resulting from the use of any such calculator/device, is not, and should not be construed, in any manner whatsoever, as the receipt of, or a substitute for, personalized individual advice from Integrated, or from any other investment professional.

Each client and prospective client agrees, as a condition precedent to his/her/its access to Integrated's web site, to release and hold harmless Integrated, its officers, directors, owners, employees and agents from any and all adverse consequences resulting from any of his/her/its actions and/or omissions which are independent of his/her/its receipt of personalized individual advice from Integrated.
